Hayden Hawken is a treat at any time you like, but she's especially delicious in the morning. When her skin is softer than her silk sheets, and warmer than the early sun, her blonde hair falls down her slender body, and covers her perky breasts.

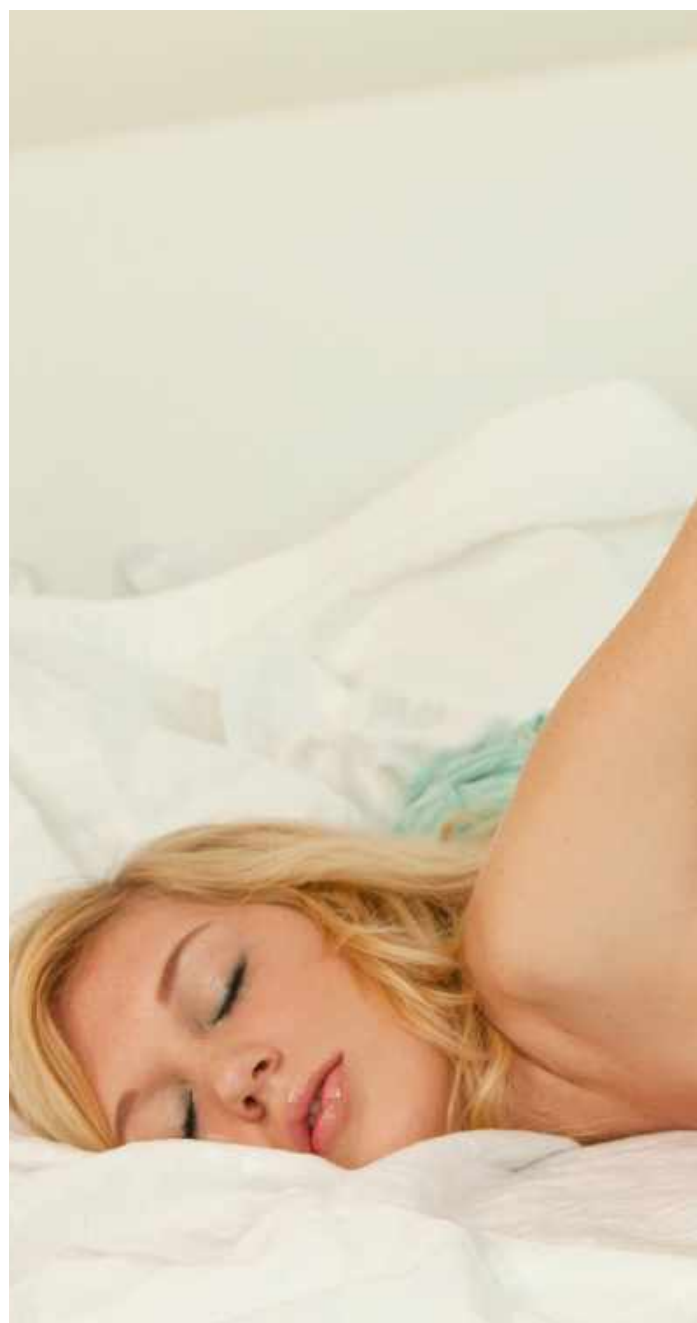

WAKING UP TO HAYDEN

She stretches as she wakes and presses her tight butt cheeks into you begging for you to caress and hold them. Her warm pussy is always wet, and ready for a finger or a cock to feel every quaking inch of it. Then she looks you straight in your eyes and whispers, "Fuck me."

Jenna and her friends wanted to shoot something risqué while they had the location all to themselves. Her friends started to get into it, and she photographed the whole thing from any angle she could. Once they were done, her friends told her to take her clothes off and model for them. She turned out to be a natural nude model.

Bomb Threat

If the cops managed to trace this caper back to him he would be in big trouble...

The janitor's closet reeked of bleach and disinfectant. Still, Danny had no choice in the matter. The call had to be made in private.

Hiding within the tight space, his sinuses aggravated by the pungent chemicals, he punched in the number on a cheapo burner phone he had purchased with cash. A paranoid precaution, perhaps, but he wasn't taking any chances. If the cops managed to trace this caper back to him he would be in big trouble, maybe even looking at a prison sentence.

The things we do for love, Danny thought.

Or lust . . .

"Benedict, McFadden & Murphy," answered the big boss's administrative assistant.

"Listen—very—carefully," Danny, wearing a devilish grin, spoke into the phone; he paused for dramatic effect before delivering the meat of his message. "There is a bomb inside the building . . ."

"I beg your pardon?" the woman asked.

"You heard me—a bomb. I'm holding the detonator as we speak. It's a little red button, just

like in the movies . . ."

"Is this some kind of joke?"

"Joke?" Danny struggled to contain his laughter. "I don't think so, sweetie. Not unless you have a very dark sense of humor . . ."

"Look at 'em." Donna stood at the fourth floor window peering at her coworkers congregated in the parking lot. "They look like cattle down there."

Danny didn't like her standing at the window like that. Somebody might look up and see her. But he kept his mouth shut. Donna was temperamental, and he didn't want to piss her off. Not at such a pivotal moment in their scheme.

Their plan had worked perfectly. Well, it wasn't really their plan. Donna had masterminded the whole thing. Plain sex wasn't good enough for her. She needed risk.

Danny had wanted to fuck Donna for months, ever since he had started his paralegal gig at Benedict, McFadden & Murphy. They had gone out for cocktails a week prior, their date culminating in Donna's outlandish ultimatum. "I'll sleep with you," she had told him, "on one condition." At first he had thought the successful attorney was kidding. Then, realizing she was for real, he had thought she was nuts. "I'll have to think about it," he had told her, not sure if she was worth the risk. That night he had dreamed of banging her on the copy machine. The next morning at work he had agreed to do it. "Fantastic," Donna had replied. "You won't be sorry."

Now Donna turned from the window and faced him. "You did well, Danny. I'm impressed."

"It was a simple phone call."

"Come on." She led him to the big boss's office at the end of the corridor. In his panic the bigwig had left the door wide open. "Perfect," she said, crossing the threshold with Danny on her heels.

They undressed in a rush. Time was of the essence. Surely

the bomb squad would be arriving any minute. Donna lay atop the big boss's desk blotter. Danny stood between her meaty thighs, nudging her wet slit with his prick cap. He toyed with her, rubbing against her pussy lips, occasionally prodding her clit.

"Fuck me good." she uttered.

He plunged inside her. Donna gasped, wrapping her legs around his waist as she did so. Her pussy felt amazing; not the tightest he had ever had, yet wonderfully warm and soft. He screwed her with frenzied jabs, watching her enormous D-cup tits shimmy and shake. She lowered a hand and diddled her clit with deft fingers, adding another dimension to her pleasure as Danny continued to pound her pussy, driving deep inside her with powerful thrusts.

They screwed in this manner for some time before Danny, on the verge of blowing his wad, pulled out. Donna allowed him a few seconds of recovery time; then she hopped off the desk and knelt before him. Stroking his shaft with one hand, she licked and lapped his nuts with meticulous care, eventually sucking his entire sack.

Danny watched her hand shuck his rod, listened to the raunchy slurping sounds emanating from her mouth. It was too much. His balls boiled with jolly jam.

"Oh, shit, Donna! Ohhhh!!!!!"

His cock erupted. Cum jetted in pulsating arcs, one after another, beading Donna's lips and chin. It was at this time that the bomb squad arrived on the scene. The big boss's corner office had several large rectangular windows allowing Danny and Donna to view the spectacle from various angles.

"They're too late," Donna remarked. "Oh, the irony . . ."

"What do you mean?" Danny asked her.

"The bomb went off," she explained, "in my face!"

Mullet Stud

Jason's windows were rolled down, the old railroad trestle providing much shade, but it was still hot inside my boyfriend's car. I lay on the backseat, legs spread, rubbing my pussy as he moved on top.

The compact coupe made for cramped quarters. Still, it was the best we could do. Both of us still lived at home with our parents. Privacy was hard to come by. A motel room was out of the question; neither of us had the money. Jason and I were saving up for school, a real school, the four-year university upstate. For now we were stuck at the crappy community college in our equally crappy hometown.

Granted, things could've been a whole lot worse. Some of my best girlfriends weren't smart enough for college; they were stuck here, destined to spend the rest of their lives working shit jobs for shit pay. A few of them had even managed to get themselves knocked up.

It was a common story around these parts. Hell, there was nothing else to do. Sex was the only recreational activity. Jason and I came out here to our favorite make out spot as often as possible; it was home away from home.

Now my pussy was dripping. The juices coated my fingers as I played with myself, eagerly awaiting Jason's throbbing cock. He was almost there, his engorged glans inches from my splayed lips, when the unthinkable happened.

Bbbbrrrrrriinnngggggg!

The old school ringtone of Jason's phone shattered the mood. For him, anyway. I was more than willing to ignore his damnable device. My boyfriend had other ideas. He forgot all about me, retrieving his phone from the center console. I lay there as he took the call, getting angrier and angrier as he chatted with his mother. Jason was a real momma's boy. This wasn't the first time that he had chosen her over me.

"Sorry," he told me after hanging up, "but we've got to go."

"You're kidding?"

"I'm afraid not. Mom needs to borrow my car."

"Now?"

Jason ignored my question. He was already getting dressed. I was astonished at the rapidity with which he had shifted gears.

"Fuck this!" I said, snatching my clothes from the floorboard. I pushed the door open, climbed out, and dressed hurriedly. Ja-

son had already cranked the car. I walked away, heading for the nearby woods. He honked the horn several times.

"What in the hell are you doing?" he called from the car.

I stopped in midstride, turned to face him, and extended my middle finger. "Go fuck yourself, Jason! I've had it with your momma's boy bullshit!"

He tried to coax me into the car, telling me that I was being unreasonable, but I wasn't interested. I was willing to hike the five miles back to town. Finally Jason gave up. He drove away, his tires kicking up dust as he sped down the dirt road that led to the highway.

"Good riddance," I muttered.

I worked my way through the dense foliage, intent on taking a shortcut back to town, when I came upon a clearing. There was a trailer in the center of the clearing, an awful looking thing perched atop cinderblocks. The catawampus structure seemed on the verge of collapse. An old battered 4x4 pickup truck was the only indicator of habitation. Aware that I was trespassing, I skirted the property, fearful of getting filled with buckshot by some old redneck.

The trailer door crashed open with a bang, scaring the ever living shit out of me. As expected, the owner was a redneck. But he wasn't old; crazy, perhaps, but not old. I judged him to be in his mid to late twenties. Camouflage pants and battered dollar store sneakers complete his look.

My gaze was drawn to his chiseled, thickly muscled chest. He had one of the most impressive sick packs I had ever seen. Clearly, he was some kind of martial artist. No momma's boy, not this guy. He looked like some kind of survivalist badass, definitely not one to fuck with.

"You okay?" he asked me.

I felt compelled to relate the whole ordeal, lest he think I was some lunatic wandering through the woods for no reason. I told him everything that had happened in Jason's car. Having listened to my confession with rapt attention, he shook his head sadly and said, "Your boyfriend sounds like a momma's boy."

I couldn't tear my eyes away from his hot body. I wondered if he had a girlfriend. Probably not. This dude was a serious loner. Of course, even the staunchest loner

had needs. He invited me in for a beer. I accepted. His name was Nick. After a few cold ones he offered me a ride home.

I offered to ride his cock.

Nick's bed was just a mattress on the floor, but I wasn't complaining, not the least bit.

Having impaled myself on his turgid tool, I made good on my offer, working my hips with frenzied urgency. I pumped him, grinding and bucking like a naughty cowgirl. He lay there beneath me, fondling my tits and twisting my nipples. His touch was electric. I had never had it like this before. Nick put Jason to shame.

We swapped places. I lay on the mattress, spreading my legs, inviting Nick to go down on me. He ate my pussy like never before, manipulating my clit with his magic tongue, making me come before fucking me in earnest.

Nick pummeled my pussy like a man possessed, thrusting with power, making me moan and groan. Intent on finishing with a flourish, he raised my legs and perched them atop his shoulders, bending me for a proper reaming. This new position invigorated his efforts, prompting him to pound me harder and faster.

Grunting loudly, he withdrew with a second to spare, emptying his balls all over my tits. His was a formidable load—plentiful, sticky, and pungent.

We got dressed. Nick drove me home. My father was mowing the lawn when we pulled into the driveway.

"I'd give you my number, but I don't guess you have a cell phone."

"You guessed right," Nick said. "What about a mother?"

He shook his head. "She's been dead for years."

"Wow," I said, "you're the man of my dreams!"

MEDDIE, INTERRUPTED

Meddie was in the middle of her morning routine when her boyfriend came into the bedroom from his shower waving around the hardest dick she'd ever seen. All that waving in her face mesmerized her, and she couldn't help but have her way with it till it's spell wore off. She started sucking that cock till it nearly popped. Then she fucked it till it did.

Blowjob queens spill all! -- *By Keith Knudsen*

Debra and Jill are two blowjob queens who deserve to win blue ribbons and other more sexy prizes at cocksucking contests all over the world. As Jill notes, "Nobody but nobody, does it better than we do."

How did Jill, an attractive blonde around 30, get started with oral sex? "I got into it out of sheer self-preservation. In college I was hot to trot and I wanted to get to intimately know every handsome guy in the school, even a couple of ones I knew were gay. But I didn't want to get pregnant," she says and shakes her fluffy mane of hair for emphasis.

"So the first time, after I saw his naked dick sticking out there in the front seat at the drive-in, I impulsively touched it and then grabbed it. It felt fantastic and it sent a thrill through my body, like electricity. I couldn't resist bending down to kiss it; the windows were all steamed up anyway. That led to sucking and then my boyfriend said 'I want to fuck you.'

"I backed off for a moment, and then I said 'No, I'm not going to get pregnant. This is better and I want to have sex with you.' So I did, to him and to at least 50 other guys in the school, including both of the gay guys who said I sucked like a man. And they meant it as a big compliment.

"See, I never thought of sucking dick as being submissive or degrading to women. On the contrary, we're the ones who are in control while the guy is passive and we get his cum juice out of him. We inflict pleasure and, if we

want, even a bit of pain. I think to be good at blowing a dude, you have to feel it's a pleasure for the doer, not just the subject."

Debra agrees. She says "I read Myra Breckinridge by Gore Vidal years ago and at one point he says how the—I think he said it this way—the 'gobbling queen is the real man, not the sailor who's standing there, being bled of his eternity, even though he gets a kick out of it.'"

Unlike Jill, Debra had trouble at first. "When my first lover asked me to go down on him, I thought it was lewd, that only slutty girls did that. I got used to the idea but then I thought, a penis is dirty, it's only for sticking inside me, not inside my mouth. My mother had always warned me against what I put in my mouth, but she didn't mean that!

"Then I read that the average cock is real clean, with far less germs than our mouth. So it let me know that it's safer, hygienically speaking, to suck cock than to kiss a stranger! I began sucking, not very well at first, but sheer practice and repetition and experimenting made me an expert. Now I love doing it.

"I recently got married, but my husband knows about my blowjob prowess. He doesn't know that I used to specialize in quick but awesome blowjobs, and that I must have done at least a hundred in my day. I've quit doing other men because my husband has the perfect dick: not too big, not too small, not too thick, and not too thin. It's

circumcised, which is more hygienic and to me more attractive, and it's never dry.

"I can suck that man off three times a day, even four, sometimes. And even when he doesn't come we just enjoy doing it for fun. Sometimes we lie on the couch—him on his back, nude, me with his dick in my mouth. I've even fallen asleep that way and once he had to pry it out of my mouth. Fortunately, I don't grind my teeth when I sleep."

Debra adds, "For some couples blowjobs, like pussy-eating, is part of foreplay or it's an occasional treat, when you do it till climax. But too few couples really take advantage of it. Oral sex is the best birth control method known to humans, with no side effects. It's also good for satisfying an orally oriented female's urges, so much less fattening than food. And for guys who ejaculate prematurely inside their wives or girlfriends, being sucked off before screwing prolongs his time inside her and gives her a better chance

Debra had decided not to get involved, for the most part, with screwing her boyfriends because it was "too much hassle, occasionally painful, too dangerous in terms of disease and pregnancy and side effects, and too personal. Too intimate. Sleeping around like that cheapens your sex life and your opinion of yourself. But oral sex is something else."

Jill however feels that oral sex is more intimate than screwing together. "When you suck, the cock takes on a life of its own. I pay more attention to it than to the guy. When we fuck, his cock is down there and I don't feel it or affect it the way I do when it's in my mouth. I do the guiding; I get more reaction out of the penis when I suck. And I can stop short his pleasure when he's about to come, by squeezing it with my fingers or mentioning some inanimate subject, letting it accidentally fall out of my mouth, to enhance and prolong my own pleasure. I can't do that when I'm on my back."

to reach an orgasm herself.

"I never had an orgasm with a man until I sucked him off first. Then he fucked me and it wasn't so much that I had more time to reach orgasm. But rather that through sucking him off I became so heated up and involved with my fantasies—I fantasized that my mouth was my sex organ—that after he screwed me for a few minutes I exploded with passion, focusing my mind on sucking off my boyfriend and all the desirable men I could think of."

Jill notes, "Sucking off a guy is no big deal in terms of time or energy and you don't have to take your clothes off or muss your hair, or take a shower afterwards. And neither of you has to feel that you're cheating, if that's your hang-up, because technically you haven't slept together."

The problem, Jill and Debra agree, is that guys do sometimes tend to look down on girls who suck them off—figuratively as well as literally. They respect their mistresses more than they do the chance blowjob giver. "That's the guy's hang-up," says Jill. "I love giving a blowjob and I feel that I'm the one who's a user. After all, I'm using their most intimate part."

Here, then, are the fruits of Jill and Debra's expertise. First, Debra's do's and don'ts:

- Do relax your mouth. Think of it as a tunnel.
- Do tease the cock, by licking at it, fingering it after t's wet, rubbing your cheek against it, twisting it, and giving it an occasional nibble.
- Don't play too rough with teeth or ever draw blood. If wounded, the penis can get easily infected.
- Do vary the speed and rhythms. Try curving the sides of your tongue when you bring your mouth away from the penis.
- Don't ignore the balls, which are "part of the package" and should be stimulated both manually and orally. Don't try to cram them both into your mouth at once or you may injure them internally.
- Do ask if he likes you to fondle his balls while you suck, or separately; for some men it's distracting.
- Do vary his positions: lying down, standing up; at an incline, upside down, in the shower, etc.
- Don't be afraid to ask him to wash it once a day, to keep it sweet smelling. If he's a new lover, you may want

to wash him yourself. The soaping alone should give him a raging hard-on.

- Don't forget: when he's about to come, silently say "Ahh" and push down on the shaft. That's because a few fractions of an inch of extra depth can make the difference between a good orgasm and an earthshattering one.

- After you've done him, don't hesitate to ask for a favor—sexual or otherwise—in return. Says Debra: "A man shouldn't feel he has an automatic right to a blowjob. That's one of the dangers; you may spoil him. If you like to be done yourself, you should alternate who starts first or you can 69. But if you do, don't always let him come first or you may be lying there frustrated, having to play with yourself."

by lying down and bringing their legs and pelvis way forward. Even a guy of average suppleness can learn to do it, but it may take time and it's easier if he isn't overweight.

- For a cool, tingling sensation on his cock, lick it thoroughly wet and then blow air on it. (This may turn some men off but it may send shivers down his spine.)

- Try a variation like sucking him while you sit on his face. Or if he isn't ready for that, stay in the same position, your clothes on, and suck away. Or suck him with his legs between yours, or with them outside.

- This one takes a bit of practice but it isn't as tough as it sounds. Let him fuck your mouth. In other words, open your mouth but let him, while lying down, thrust his pelvis

Now Jill's tips for more enjoyable, exciting oral sex:

- While you suck him off, play with yourself. Many women get more satisfaction, and more results, from masturbation than from getting eaten out.

- While you suck, close your eyes. This not only keeps the hair out of your eyes, it allows you to fantasize that you're going down on your favorite movie hunk.

- Make sure you're comfortable. Use a pillow for your knees or wear loose pants or a skirt. Tie your hair back in a ponytail while you suck while you're at it.

- Experiment with soft or liquid food, to make the whole process more sensual for you and him. Dunk his dick in whipped cream or chocolate sauce, or spread it lightly with peanut butter (so your tongue doesn't stick to the roof of your mouth)!

- Suck him off in the pool, nude. Your man is light enough in water to float on your arms while you bend down and work on his cock.

- If some of your teeth are sharp or uneven, have your dentist file them down a bit. This simple, inexpensive procedure will give you fewer problems with blowing your man, and even with your own tongue, while you eat or sleep.

- Some guys who love oral sex and can't get enough of it can learn, with patience and practice, to blow themselves

upwards, controlling the action and placing his hands lightly—not tightly—on your head. Have him pause when you get out of breath, and let him start easy. By the time he's going at it hot and heavy you should be caught up in it too, and the less you think about your breathing, the easier it'll be. The secret is to breathe in tiny gulps and to expel air in equally small gulps.

Debra's husband Dave offers the man's point of view on oral sex:

"I love it. I mean, no man wants to give up fucking altogether, but most of the guys I know would like a blowjob a little more often.

"Now, I like to be the aggressor when I'm fucking. But when it comes to oral sex it's okay for the female to be the aggressor and even to suggest it and initiate it. That's real exciting to a man and the woman too, and both get to feel aggressive and naughty. In a way it's more of a thrill.

"I think if a woman loves her man, she ought to learn how to please him better at oral sex, because we men try to please the ladies in bed and sometimes we don't want to shoulder all the responsibility. Besides, the way some guys screw, it's something they do to a woman. But with oral sex, it's something she does to him and something he does back to her."

MURKA AND SUNNY WORK THEIR KEGELS

Murka and Sunny have been thinking about working out together since the new year. Now that they've finally come around to it, all they can think to work out is their libidos. They hardly settle down on the machines before they're taking each other's clothes off and fingering pussies. It's not long till they've got the toys out, and they've forgotten why they were there in the first place.
